

REMARKS/ARGUMENTS

Claims 11-29 are currently pending in the instant application.

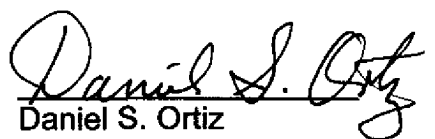

Applicants respectfully request that the amendments be entered in the Specification and Abstract. The amendments are of an editorial nature to provide headings required by the United States Patent and Trademark Office and to correct typographical errors which occurred during preparation of the translation. No new matter has been entered by way of amendment to the Specification and Abstract.

The claims have been amended to place them in a form for ready examination in the United States Patent and Trademark Office. All multiple dependencies have been deleted and the syntax which may have suffered in translation has been improved.

No new matter has been entered by way of amendment to the claims. No amendments to the claims has been entered to overcome any prior art of which Applicants are aware.

Favorable consideration of the claims in their amended form is respectfully requested.

Respectfully submitted,

Daniel S. Ortiz
